

Day Tours

Taman Tours is an exciting new Tour Operator in Swaziland. It is our mission to connect our clients with the unpretentious people, the amazing spirit, rich cultural heritage and wildlife history that this unique, peaceful country has to offer. The company is owner-managed, bringing 12 years of tourism experience in Southern Africa into the business.

Our portfolio includes various day tours and multi-day excursions suited to all budgets with emphasis on exceptional service.

CRAFTS GALORE

Swaziland offers many amazing craft attractions, with the added advantage of being able to watch these masterpieces being created and purchasing them at factory prices.

THE CULTURE EXPLORATION

The genuine kindness and simplicity of life is striking when venturing out into the more remote rural areas ... contentment with life is the word that springs to mind. The people of Swaziland welcome visitors and gladly share a little of their day-to-day lives. Taman Tours manages and facilitates such visits. We understand much of the culture, and visitors will be well briefed in order to avoid uncomfortable situations and to enjoy a memorable visit. Also leave with a sense of contribution, as a portion of your payment goes towards certain projects that the community is undertaking, as a token of appreciation of sharing their lives with you for brief, but memorable moments.

For maximum exposure to crafts & culture, we combine the above two tours into a full day tour to experience the best this country has to offer in a day.

MLILWANE WILDLIFE SANCTUARY - Escape to Nature

For those with little time, this is a perfect way to escape to nature and enjoy a few hours of tranquility.

Mlilwane is Swaziland's oldest protected area. Formerly a productive mixed farming operation, with extensive tin mining in the low foothills of the Nyonyane Mountains, the Sanctuary has been rehabilitated into a reserve where one can enjoy the beauty of the surroundings and the abundant wildlife that grace the plains.

MKHAYA ENDANGERED SPECIES EXPERIENCE

Unique, intimate encounters with Mkhaya's wildlife are made possible by dedicated rangers, with travel in the reserve solely by Big Game Parks' open Land Rovers or on foot.

A trip to Mkhaya is a soul enriching, quality experience you will never forget. Your support also contributes to sustaining this unique, international conservation effort.

HLANE WILDLIFE & BUSHVELD EXPERIENCE

In the vast bushveld of eastern Swaziland, lies its largest protected area, Hlane Royal National Park, home to the largest herds of game in the Kingdom. The highlight of this tour is a rhino tracking adventure, which will bring you in close contact with these giants of the bushveld.
